# Donate Your Used Car for a Valuable Cause

---

Family Service of Greater Baton Rouge is pleased to announce their new social enterprise, *Cars to Success*, a vehicle donation program!

Please consider donating your Used Car to Family Service of Greater Baton Rouge. By donating your vehicle, you will receive a tax benefit while the proceeds are invested in The Ways to Work Family Loan Program at Family Service.

The donated vehicle will be repaired and sold at a modest cost to the community. This will help eliminate transportation barriers in the Greater Baton Rouge and surrounding areas as well as help support an agency that has been serving the Greater Baton Rouge community for 55 years.

Call us at (225) 924-0123 for more information or visit [www.fsgbr.org](http://www.fsgbr.org) to learn about this program and other programs offered by Family Service of Greater Baton Rouge.

Thank you for your support.

Family Service of Greater Baton Rouge has been committed to supporting and strengthening the lives of children, individuals and families through direct services and positive social actions since 1955. Programs are provided to more than 14,000 families and individuals each year.

The Ways to Work Family Loan Program provides loans to low income families unable to qualify for conventional loans. This program enables the individuals to meet work or educational goals on their way toward self-sufficiency with workshops focusing on money management and budgeting.
